

EASTERN MISSOURI POLICE ACADEMY

Basic Homicide Investigation

September 11, 2019

11 Meadows Circle Drive Suite 422
Lake St. Louis, MO 63367
8:00 am - 5:00 pm

Business Casual Attire is Required.

This course will be taught by Detective Ryan McCarrick of the Florissant Police Department and a Supervisor on the St. Louis Major Case Squad Homicide Unit

Synopsis:

This course will identify the steps of an investigation, further identifying factors relevant to determining the time of death. The proper handling of crime scenes, the importance of witness, suspect and victim interviews will be discussed. Strategies for victim identification and the development of suspects will also be identified. Procedures for cold case investigations will be discussed and the demonstration of proper protocol for submitting reports to a prosecutor will occur.

Participants will receive 8 hours of training in Technical Studies.

MEMBER FEE: FREE

NON-MEMBER FEE: \$100.00
