<b>INSTRUCTOR :</b>	Don Wieder — <a href="mailto:dwieder@sabred.com">dwieder@sabred.com</a>	
<b>SABRE:</b>	Mike Patterson - (800) 325-9568 — <a href="mailto:MPatterson@SabreRed.com">MPatterson@SabreRed.com</a>	
<b>Host Agency:</b>	Lt. Shawn Rackhaus — <a href="mailto:srackhaus@sccmo.org">srackhaus@sccmo.org</a>	

**This 1-day (8 hour) Instructor level certification program** focuses on deploying, handling, and documenting the use of Aerosol Irritant Projectors (AIP). Medical issues and legal liability will also be addressed. This course will enhance the instructor's development in the use and training of AIP tactics and will help departments increase the safety of their officers, students, and subjects. This program addresses proper deployment techniques, available products, the SABRE Contamination Waiver, student voluntary contamination guidelines, proper decontamination, reporting force, and tactics for surviving an AIP attack. **This certification is valid for three calendar years from successfully completing this course.**

### **COURSE TOPICS INCLUDE:**

- Instructor Goals, Objectives, & Guidelines
- Introduction to Aerosol Irritant Projectors & Understanding OC & CS
- SABRE Product Information
- SABRE Law Enforcement Formulations
- SABRE Delivery Systems, Point of Aim & Minimum Deployment Distances
- SABRE Inert Drills
- Subject Care & Decontamination
- Deployment Guidelines
- Proper Student Voluntary Contamination
- Proper Decontamination
- Etc.
