

Drug Trends

**April 22, 2026; 8:00-12:00
St. Peters Police Department
1020 Grand Teton Drive, St. Peters, MO 63376**

This course will focus on emerging drug trends. It will discuss what officers are seeing on the street now and what officers should expect to see based on what is happening in other states. This class will also discuss what officers should be looking for when they stop someone they believe to be driving while impaired. Looking at current drug trends will help officers better detect signs and symptoms of impairment, especially for new or unfamiliar drugs.

This class is worth 4 hours of Missouri CLE and 4 hours of Missouri POST credit in the area of Technical Studies.

There is no registration fee for this course, but you **MUST** register **IN ADVANCE** by contacting me at Susan.Glass@prosecutors.mo.gov. When registering, please provide your full first and last name, the name of your agency, and your POST license number. **Deadline to register is April 15.**

Funding for this course is provided by the Division of Highway Safety and Traffic
